Antrag auf Genehmigung zur Beibehaltung der deutschen Staatsangehörigkeit

Sehr geehrte Frau Palm,

eingeschlossen mit diesem Brief finden Sie bitte meinen Antrag auf Beibehaltung der deutschen Staatsangehörigkeit nach §25 Abs. 2 Staatsangehörigkeitsgesetz.

Ich stelle diesen Antrag, da der Erwerb der US-amerikanischen Staatsbürgerschaft für mich aus primär beruflichen wie auch persönlichen Gründen unabdingbar geworden ist. Die ausführlichen Begründungen finden Sie bitte nachstehend.

Wenn Sie oder ein(e) SachbearbeiterIn mit mir in Kontakt treten möchten, so tun Sie dies bitte per Anschreiben, per e-Mail oder per Telefon, je nach persönlicher Präferenz:

X Y

Bis dahin verbleibe ich hochachtungsvoll,

X Z

Anlagen wie folgt:

- Ausgefüllter ANTRAG zur Beibehaltung der deutschen Staatsangehörigkeit
- Liste und Umfang der bestehenden Verbindungen nach Deutschland
- Darlegung der Gründe für den angestrebten Erwerb der US-Staatsangehörigkeit
- Weitere Gründe für die Beibehaltung der deutschen Staatsbürgerschaft
- Lebenslauf
- Beglaubigte Kopien (notarized) von REISEPASS und Heiratsurkunde, sowie Kopien von GREENCARD, und dazugehörigen Unterlagen, Abitur-, Diplomzeugnis und Bescheid über Sozialversicherungsansprüche
- Auswahl von Stellenangeboten, die US-Bürgern vorbehalten ist
- Mein aktuelles Resume

I.) bestehende Verbindungen nach Deutschland

Name	Verwandtschaftsgrad	Anschrift
	Eltern	
	Stiefschwester	

Ich pflege sehr häufigen telefonischen und emailbasierten Kontakt mit meinen Eltern. Auch besuchen sie meine Frau und mich mindestens einmal pro Jahr in den USA. Darüberhinaus pflegen meine Schwester und ich regen telefonischen Kontakt. Meine Schwester und ihre Tochter beabsichtigen, uns in den USA in naher Zukunft zu besuchen.

Weiter Verwandte, die ich in Deutschland habe:

Name	Verwandtschaftsgrad	Anschrift
	Stiefbruder	
	Onkel	
	Tante	
	Tante	
	Tante	

Ich pflege mehr oder weniger regelmäßigen Telefonkontakt mit allen Verwandten.

II.) Darlegung der Gründe für den angestrebten Erwerb der US-Staatsangehörigkeit

Ich arbeite im Bereich der IT (Informationstechnologie) – Sicherheit (System-Netzwerksicherheit).

Firmen, die direkt oder indirekt für die US- Regierung tätig sind, setzen voraus, daß BewerberInnen die US-Staatsbürgerschaft besitzen. Oftmals wird auch der Besitz einer Security Clearance vorausgesetzt, die nur von US Staatsbürgern erworben werden kann.

Das Nichtvorhandensein der US-amerikanischen Staatsbürgerschaft hat zur Folge, daß ich in meiner Berufswahl trotz vorhandener Fähigkeiten und jahrelanger Erfahrung im Bereiche der IT-Sicherheit auf Firmen beschränkt bin, die nicht für die Regierung tätig sind. Angesichts einer sehr hohen Anzahl von Firmen, die für das DoD (Department of Defense) tätig sind, reduziert das meine beruflichen Entfaltungsmöglichkeiten enorm.

Siehe nachstehend ein Auszug von existierenden Stellenanzeigen, für die ich mich bewerben könnte, da ich das notwendige Wissen und die Erfahrung besitze, die Bewerbung aber abgelehnt würde, da ich nicht im Besitz der US- amerikanischen Staatsbürgerschaft bin.

Die Tatsache, daß ich keine Aussicht auf Berufe habe, die US-Staatsbürgern vorbehalten sind, behindert mein Vorankommen im Berufsleben und zieht auch finanzielle Nachteile mit sich. Arbeitsstellen, die von Firmen, die für die US-Regierung arbeiten ausgeschrieben werden (v.a. Defense-Contractors, also Firmen, die für das US Verteidigungsministerium tätig sind), sind normalerweise lukrativer sind als Stellen, die auf dem regulären regulären Arbeitsmarkt. Auch bringt die Erwerbung einer Security Clearance und die Tätigkeit für eine hochbekannte Behörde wie dem Department of Homeland Security, dem Secret Service oder gar der US- Armee eine enorme Steigerung meines „Marktwerts“ auf dem Arbeitsmarkt dar. Ohne US-Staatsbürgerschaft bin ich dementsprechend eingeschränkt.

Diese Problematik ist natürlich auch speziell für Arbeitsstellen gegeben, die direkt von der US-Regierung ausgeschrieben werden, wie z.B. der US Secret Service, Regierungsbehörden und der US-Army.

Siehe Anhang A zu diesem Antrag für eine Auswahl von Arbeitsstellen, die von der US-Regierung ausgeschrieben wurden. Sämtliche aufgezeigte Arbeitsstellen könnten von mir bekleidet werden, sie sind jedoch US- Staatsbürgern vorbehalten und mir deshalb nicht zugänglich. Die Ausschreibungen können sehr lukrativ sein (teilweise über \$100,000 USD pro Jahr), wie aus den Stellenanzeigen entnommen werden kann. Diese Chancen sind mir verwehrt, da ich kein US-Staatsbürger bin.

III.) Weitere Gründe für die Beibehaltung der deutschen Staatsbürgerschaft

Mein Vater wird Ende dieses Jahres in Rente gehen. Meine Eltern sind beide in den Mittsechzigern. Wenn meine Eltern mal das pflegebedürftige Alter erreichen, sind meine Stiefschwester und mein Stiefbruder die einzigen, die in der unmittelbaren Umgebung meiner Eltern leben und eventuell in der Pflege mithelfen können (da sie auch in meiner Heimatstadt Pforzheim leben). Ich erwarte, daß ich, wenn es mal soweit ist, sehr oft zwischen den USA und Deutschland „pendeln“ werde, um bei der Pflege mitzuhelfen. Ein deutscher (und amerikanischer) Paß ist für die zu erwartenden Ein- und Ausreisen von essentiellm Nutzen.

Ein weiterer Grund ist, daß ich einfach Deutscher bin. Dies ist Teil meiner Identität, etwas, was ich zu verlieren nicht vorstellen kann. Ich wuchs in Deutschland auf und verbrachte die ersten X Jahre meines Lebens in Baden-Württemberg. Mein Bild der Welt, meine Erziehung und meine gesammelten Lebenserfahrungen sind hauptsächlich Deutsch.

Es ist möglich, daß ich in der Zukunft wieder einige Jahre in Deutschland leben und arbeiten will. Meine Frau und ich haben dies schon öfters diskutiert und planen, dies in den nächsten 10-15 Jahren anzugehen. Natürlich ist das Vorhandensein der deutschen Staatsbürgerschaft für dieses Vorhaben essentiell.

Noch ein Grund ist die Tatsache, daß unsere Kinder automatisch beide Staatsbürgerschaften bekommen würden. Dies wird ihnen ermöglichen, sich frei in den USA und Deutschland (und dem Rest der EU) zu bewegen, sich niederlassen und leben zu können. Ein ungeheurer Vorteil, wenn Menschen sich nicht den erforderlichen Visaprozeduren unterziehen zu müssen. Dies fördert meiner Meinung nach eine freie Entfaltung ungemein.

IV.) Lebenslauf

Schulische Ausbildung

Berufliche Ausbildung

Ein aktuelles „Resume“ ist diesem Antrag beigelegt.

V.) beglaubigte Kopie von aktuellem Reisepaß sowie Heiratsurkunde

Folgende Seiten des Reisepasses sind beigelegt (beglaubigte Kopien):

- Hauptseite (Plastikseite) mit den darauffolgenden 3 Seiten
- Seite 13 mit dem Stempel der aktuellen Aufenthaltsgenehmigung (Stempel vorgenommen am 0. August 2004), gültig bis 0. August 2005

Beglaubigte Kopie der Original- Heiratsurkunde vom Mai xxxx ist ebenso beigelegt.

VI.) beglaubigte Kopie von aktuellem Greencard – permanent resident card

Ich lege folgende Unterlagen für die Greencard bei:

Ich bin momentan im Besitz der folgenden ORIGINAL- Dokumente, die mir ein unbegrenztes Aufenthalts- und Arbeitsrecht zusichern:

- I-551 STEMPEL (datiert 0. Aug. 2004) in meinem Reisepaß, „temporary evidence of lawful admission“, gültig bis 0. August 2005
- Eine Notice of Action vom 08. August 2003, die mir die alte Greencard (welche ursprünglich am 19. November 2003 abgelaufen ist) um ein Jahr, bis zum 19. November 2004, verlängerte.

Beglaubigte Kopien von diesen Dokumenten sind diesem Antrag angefügt.

Meine Greencard – permanent resident card – wird momentan ERNEUERT (die INS-BCIS arbeitet gerade an dem Druck der neuen Greencard). Dem Antrag I-751 „Petition to Remove the Conditions on Residence“ (der eigentlichen Verlängerung der ersten Greencard, die nur für zwei Jahre gültig ist) ist am 21. Juli 2004 STATTGEGEBEN worden.

Meine Original- Permanent Resident Card und die ursprüngliche Aufforderung der INS-BCIS, zur Greencard-Erneuerung persönlich bei der Agentur zu erscheinen (I-797 Notice of Action, datiert

0. Juli 2004), wurden dort am 0. August 2004 von der INS-BCIS einbehalten. Mir war unglücklicherweise nicht bewußt, daß diese Dokumente einbehalten werden würden und konnte nur eine einfache Kopie der Greencard (nur Vorderseite) und der Notice of Action bekommen. Der zuständige INS Officer fertigte mir keine Kopie der Greencard- Rückseite an (sein Kommentar: „da ist sowieso nichts lesbares drauf, da die Rückseite nur aus dem schwarzen Balken besteht, der auf einer Kopie sowieso nicht von Nutzen ist“). Die INS-BCIS bietet keine public notary- Dienste an (zumindest das wurde mir gesagt), so konnte ich die Kopien NICHT amtlich beglaubigen lassen.

Ich lege die (un-)beglaubigten Kopien der Greencard und der Notiz bei, da die INS mir mitteilte, daß die Bearbeitung der neuen Greencard (lediglich die Erstellung der eigentlichen Plastikkarte) sechs bis zwölf Monate dauern kann. Ich möchte diesen Antrag jedoch nicht von der Greencard abhängig machen, da ich, während die Greencard bearbeitet wird, nach INS- Vorschriften schon den Antrag auf Einbürgerung stellen kann und den Vorgang zur Erlangung der Staatsbürgerschaft so beschleunigen kann.

Deshalb lege unbeglaubigte Kopien bei von:

- der eingezogenen Permanent Resident Card – Greencard
- der I-797 Notice of Action, „Notice of Removal of Conditional Basis of Lawful Permanent Residence“

VII.) Kopien von Geburtsurkunde und Abstammungsurkunde

Ich lege Kopien meiner Geburtsurkunde und Abstammungsurkunde bei.

VIII.) Kopien von Abiturzeugnis, Diplomzeugnis und Sozialversicherungsanspruchsbescheid

Siehe bitte beigefügte Kopien: mein Abiturzeugnis aus dem Jahre 199z, Diplomzeugnis aus dem Jahre xxxx und eine Kopie eines Bescheides der Bundesversicherungsanstalt für Angestellte, daß ein Anspruch auf Sozialleistungen durch gezahlte Beiträge gegeben ist.

Was meine Deutschkenntnisse angeht: Deutsch ist meine Muttersprache. Ich bin der deutschen Sprache täglich ausgesetzt (durch Telefonate, deutsche Internetseiten – Spiegel Online etc), halte mich über deutsche Geschehnisse ständig auf dem Laufenden.

**ANTRAG AUF BEIBEHALTUNG DER DEUTSCHEN STAATSANGEHÖRIGKEIT
NACH § 25 ABS. 2 STAATSANGEHÖRIGKEITSGESETZ**

(Bitte in zweifacher Ausfertigung)

Ich beabsichtige, die US-amerikanische Staatsangehörigkeit zu erwerben. Meine deutsche Staatsangehörigkeit möchte ich jedoch beibehalten. Ich beantrage daher, gemäß § 25 Abs. 2 StAG die Genehmigung zur Beibehaltung der deutschen Staatsangehörigkeit zu erteilen.

HOW TO APPLY:

Applications for this vacancy should be received electronically via email or facsimile (fax) BEFORE midnight Eastern Time on the closing date of this announcement. Please refer to the How to Submit Applications Electronically section of this announcement or go to “http://www.secretservice.gov/apply_apt.shtml” for specific application procedures. Unless otherwise stated in this announcement, all required supplemental application materials must be faxed and received within 48 hours of the closing date of the announcement (not including Saturdays, Sundays, or government holidays). If you are unable to submit your application electronically, please contact the Personnel Division at (202)406-6090, or, for hearing impaired applicants, TTY (202)406-5390, for assistance. Applicants MUST CONTACT the Personnel Division PRIOR to the closing date in order to receive assistance.

*RELOCATION EXPENSES FOR TRANSFER ELIGIBLES ARE NOT AUTHORIZED FOR PAYMENT BY THE GAINING FACILITY.

MAJOR DUTIES:

The selected individual will serve as an Information Technology Specialist in the Information Resources Management Division responsible for testing, installing, configuring, maintaining, optimizing, and upgrading various aspects of an enterprise data network including but not limited to hardware (servers, hubs, bridges, switches, routers, and encryption devices), software (enterprise configuration, management, analysis, and network operating systems software), and services (leased circuits and extranets) to support wide area networks (WANs), metropolitan area networks (MANs), and local area networks (LANs); analyzing and defining network requirements; defining and maintaining network architecture, infrastructure, and integration; analyzing network workload; monitoring capacity and performance; diagnosing and resolving network problems; developing network backup and recovery procedures; and applying and ensuring rigorous application of information security/information assurance policies, principles, and practices in the delivery of network services.

QUALIFICATION REQUIREMENTS:

(Fully describe your duties and accomplishments under the work experience block of your application or on your resume.)

If substituting education for experience, please provide copies of college transcript.

Candidates must meet qualification requirements of the position no later than thirty (30) days after the closing date of the vacancy announcement. The requirements are:

1) Applicants must have completed a minimum of 52 weeks in position no more than one (1) or two (2) grades lower (or equivalent) than the position to be filled; and

2) Candidates must meet the experience and/or education requirements contained in the Qualification Standards for General Schedule Positions. To qualify:

At the GS-9 level: One (1) year of specialized experience equivalent to the GS-7 level; or a master's or equivalent graduate degree; or two (2) full years of progressively higher level graduate education leading to such a degree; or an LL.B or J.D. is required.

At the GS-11 level: One (1) year of specialized experience equivalent to the GS-9 level; or a Ph.D. or equivalent doctoral degree; or three (3) full years of progressively higher level graduate education leading to such a degree is required.

At the GS-12 level: One (1) year of specialized experience equivalent to the GS-11 level is required.

At the GS-13 level: One (1) year of specialized experience equivalent to the GS-12 level is required.

Specialized experience for the GS-9 level is experience that demonstrates knowledge of computer requirements and techniques in carrying out project assignments consisting of several related tasks, such as typically is the case in development of minor modifications to parts of a system on the basis of detailed specifications provided. The assignments must show completion of the following, or the equivalent; analysis of the interrelationships of pertinent components of the system; planning the sequence of actions necessary to accomplish the assignment; and personal responsibility for at least a segment of the overall project.

Specialized experience for the GS-11 is experience that demonstrates accomplishment of computer project assignments that require a range of knowledge of computer requirements and techniques. For example, assignments would show, on the basis of general design criteria provided, experience in developing modifications to parts of a system that required significant revisions in the logic or techniques used in the original development. Accomplishments, in addition to those noted for the GS-9 level, normally involve the following, or the equivalent; knowledge of the customary approaches, techniques, and requirements appropriate to an assigned computer applications area or computer specialty area in an organization; planning the sequence of actions necessary to accomplish the assignment where this entailed coordination with others outside the organizational unit and development of project controls; and adaptation of guidelines or precedents to the needs of the assignment.

Specialized experience for the GS-12 and above is experience that demonstrates the accomplishment of computer project assignments that require a wide range of knowledge of computer requirements and techniques pertinent to the position to be filled. This knowledge is generally demonstrated by assignments where the applicant analyzes a number of alternative approaches in the process of advising management concerning major aspects of ADP system design, such as what system interrelationships must be considered, or what operating mode, system software, and/or equipment configuration is most appropriate for a given project.

Undergraduate and Graduate Education: Major study in computer science, information science, information systems management, mathematics, statistics, operations research, or engineering, or course work that required the development or adaptation of computer programs and systems and provided knowledge equivalent to a major in the computer field.

SELECTIVE FACTOR(S): Required

*****DESCRIBE HOW YOU MEET THIS FACTOR*****

When a Selective Factor(s) is required, applicants must clearly identify and separately document that they possess the Factor(s). If a Selective Factor(s) is required and is not addressed separately, the applicant will be considered NOT QUALIFIED for the vacancy.

*****DESCRIBE HOW YOU MEET THIS FACTOR*****

1. In order to be considered for this position, the applicant must be enrolled or certified in one or more of the following:

- Possess a four-year degree in Information Systems, Computer Science or a related field (BA/BS) from an accredited college or university;

OR

- Possess a two-year degree or certification in Information Systems, Computer Science, Electrical Engineering or a related field (AA) from an accredited college;

OR

- Be a Certified Cisco Network Engineer;

OR

- Be a Certified Nortel Networks Engineer;

OR

- Be a Network + Certified Service Technician.

KNOWLEDGE, SKILLS, AND ABILITIES REQUIRED FOR THE POSITION:

IN ORDER TO BE CONSIDERED for this vacancy, applicants must submit a Supplemental Qualifications Statement describing separately for each Knowledge, Skill and Ability (KSA) listed in this announcement their experience, education, training, and awards. Experience listed in the Supplemental Qualification Statement (KSA) should also be reflected in the work experience block of your application or on your resume. The first KSA is the quality ranking factor (the factor used in determining the best qualified applicants). Those applicants who do not meet the quality ranking factor WILL NOT be referred to the selecting official.

1. Knowledge of wide-area networking (WAN) concepts, design, engineering, practices, and operational requirements especially as relates to industry-standard WAN protocols applied to the operation of a complex worldwide telecommunications network (Provide examples).

2. Knowledge of metropolitan-area networking (MAN) concepts, design, engineering, practices, and operational requirements especially as relates to SONET engineering, internetworking, and quality of service (QOS) (Provide examples).

3. Knowledge and application of network monitoring, performance, and analysis tools to monitor network traffic, usage, and performance; generate reports; support capacity analysis; and document system metrics.

4. Knowledge of telecommunications concepts, principles, practices, procedures, policies, and operational requirements in order to implement, develop, manage, monitor, and maintain a complex worldwide telecommunications network (Provide

examples).

5. Knowledge of concepts and operation of Intranets, Extranets and Internetworking Principles (Provide examples).

6. Ability to understand, evaluate, and translate the needs of enterprise users into requirements; relate requirements to existing technology, policy and priorities; and identify, direct, and coordinate the actions required to provide needed services (Provide examples).

To be considered well qualified under the Interagency Career Transition Assistance Program and the Career Transition Assistance Program, an eligible applicant must meet the selective factor(s), when required, and the KSAs.

Applicants must be U.S. citizens.

As a condition of employment, male applicants born after December 31, 1959, must certify that they have registered with the Selective Service System, or are exempt from having to do so under Selective Service law.

This position is critical-sensitive. Completion of a full-field investigation is required before appointment. Applicants must qualify for a top secret clearance.

All applicants tentatively selected for this position (except current Secret Service employees) shall be required to submit to urinalysis to screen for illegal drug use prior to appointment. Actual appointment will be contingent upon the receipt of a negative drug test result.

How to Submit Applications Electronically

Applications for this vacancy **MUST** be received **BEFORE** midnight Eastern Time on the closing date of this announcement.

All applicants must submit an OF 612, Optional Application for Federal Employment; or an SF 171, Application for Federal Employment; or a resume; or any other application form, which includes the information cited in the Office of Personnel Management (OPM) brochure OF 510, Applying for a Federal Job. This brochure is available from OPM or the Secret Service Personnel Division. **NOTE:** Applicants who submit an OF 612, or a resume, or any other application form other than the SF 171 must also include a Declaration for Federal Employment, OF 306. Further, applicants must respond to the required knowledge, skills, and abilities listed in the vacancy announcement. For your convenience, the Secret Service has included blank pages at the end of the electronic OF 612 http://www.secretservice.gov/apply_apt.shtml for your use in responding to the knowledge, skills, and abilities.

You have two choices on how to submit applications electronically.

1. You may submit your application via email to the following address:

jobs@secretservice.gov

After saving your completed application, e-mail the application using the instructions on the form (or as an attachment) to the e-mail address listed above. Enter the vacancy announcement number on the subject line of the e-mail.

2. You may submit your application by fax. If you elect to do so, you should mark each page of your application with your name, social security number, and the appropriate vacancy announcement number. The fax numbers for the Secret Service Personnel Division application lines are:

- (202)406-6654
- (202)406-6844
- (202)406-6574

If you are claiming veterans' preference you must submit the following documentation by fax within 48 hours of the closing date of this announcement to receive this credit. If you are claiming 10-point veterans' preference, submit a Standard Form 15, Application for 10-point Preference, your DD 214, Certificate of Release or Discharge from Active Duty, and a letter dated, within the last 12 months, from the Veterans Administration documenting your 10-point veterans' preference. If you are claiming 5-point veterans' preference, submit a copy of your DD 214.

Candidates with Federal government transfer or reinstatement eligibility MUST submit a copy of their most recent SF 50, Notification of Personnel Action, showing their career or career-conditional status or reinstatement eligibility (tenure code and position occupied) by fax within 48 hours of the closing date of this announcement. Candidates with Federal government status who want to be considered under competitive and merit promotion procedures should submit two applications and indicate that they wish to be considered under both procedures on their applications or on a separate memorandum; otherwise, consideration will be given under merit promotion procedures only. Candidates with Veterans Employment Opportunities Act of 1998 eligibility who want to be considered under competitive and merit promotion procedures should submit two applications and indicate that they wish to be considered under both procedures on their applications or on a separate memorandum; otherwise, consideration will be given under competitive procedures only.

NOTE: Applicants must submit the specific information requested in this vacancy announcement (i.e., the Supplemental Qualifications Statement and, as appropriate, proof of veterans preference, SF 50, and copy of college transcript). Applicants who fail to submit all of the information requested in the OF 510 and this vacancy announcement will NOT receive consideration for the position.

This agency provides reasonable accommodations to applicants with disabilities. POSITION INFORMATION:

Type of Appointment: Competitive; Permanent

Work Schedule: Full-time

This position is located in the Office of Research and Development (ORD), Office of Resources Management and Administration (ORMA), Information Management Technology Staff (IMTS) in Washington, D.C.

Duties and Responsibilities:

The incumbent serves as the ORD Information Security Officer (ISO) and is responsible for developing, revising, implementing, administering, and auditing ORMA's Information Management Security Program. He/she ensures and verifies that all technical and procedural security requirements have been

fulfilled for ORMA as stipulated by the EPA Operational Directives, OMB Circular A-130, Computer Security Act of 1987 (Public Law 100-235), Government Information Security Review Act (GISRA) and other applicable guidelines and regulations; reviews all current relevant legislation, statutes, regulations, circulars, policies and other information security resources; and ensures that ORMA's security program is aligned with current agency, federal and best business practices. The incumbent manages contracts and contractors responsible for assisting with tasks outlined here. He/she works with the planning, deployment, and operation of various systems (e.g., Windows 2000 Server and Advanced Server, MS Active Directory Services, MS Operations Manager, MS SQL Server, MS Management Server, MS Software Update Services Server, MS Internet Information Services Server, MS Group Policy Management, Wise Package Studio Enterprise, etc.). The incumbent provides the Senior Information Resource Management Official (SIRMO) with adequate information to determine the effectiveness and appropriateness of information security practices for electronic and printed media systems under the purview of the SIRMO. Other responsibilities include: ensuring that when a potential or actual breach of information security occurs, proper triage is performed, appropriate personnel and offices are notified, and corrective measures are taken and documented; administering the development and implementation of an ORD-wide Information Security Plan that assesses and addresses the risk and magnitude of the harm resulting from the loss, misuse, or unauthorized access to or modification of information (electronic or printed); assisting in the coordination of information security activities amongst individuals who are directly responsible for implementing the practices and safeguards defined in the information security plans for their Division/Office/Branch; reviewing and testing information technology security practices (technical and administrative) within ORD to ensure that appropriate levels of information security are maintained in accordance with all applicable agency directives and guidelines; facilitating risk assessments and assessments of vulnerability to ensure ORD personnel and information managers have a complete understanding of potential security risks associated with its operational policies, practices and procedures; ensuring that all personnel involved in the management, use, or operation of information systems receive training in methods to protect ORD's information systems; and coordinating, integrating, leading and directly controlling the efforts associated with assigned projects by establishing objectives and performance goals, monitoring progress toward achievement, and setting new priorities based on changing requirements. Extramural resources management duties as described previously comprise less than 25% of the duties of the position.

DUTY LOCATION:

Bethesda, Maryland

ORGANIZATION LOCATION:

Department of Health and Human Services, National Institutes of Health, Center for Information Technology, (CIT), Division of Network Systems and Telecommunications, (DNST), Network Engineering Branch, (NEB), Network Security Section, (NSS)

DUTIES AND RESPONSIBILITIES:

The Division of Network Systems and Telecommunications is seeking a highly motivated, customer oriented individual to serve as Chief of the Network Security Section. In this critical role you will use your state-of-the-art large-scale enterprise network security expertise in addition to effective management skills to protect the integrity and confidentiality of critical and sensitive data transmissions across the NIH network on a 24x7 basis using firewalls, Intrusion Detection Systems and related security scanning and traffic management procedures for customers in the centers and institutes comprising the National Institutes of Health.

As Chief, NSS, you provide administrative and technical leadership to a staff of specialists working on complex tasks directly associated with network security activities. You will perform such duties as selecting new technical staff, assigning and evaluating work, recommending training, corrective actions, awards, promotions, and other management related duties.

As a key representative of DNST for network security, you will provide leadership and program advisory services from both a strategic and technical perspective regarding security policies and plans while evaluating and implementing the use of cutting edge security technology. Your area of responsibility will include the design, installation, and management of security systems for all of NIH, ensuring that firewalls, virus walls, Intrusion Detection Systems, and other security monitoring tools are operational 24x7. This involves close coordination with other areas of DNST/CIT to maintain continuity of operations for all NIH security. In addition, the section is responsible for virus detection systems that are placed at internet connection points, and for writing software to allow customers to access specific components of the network from outside NIH, as needed.

This position is designated as emergency. If selected, you will be required to be available; ready, willing, and able to report for duty under all circumstances, e.g., inclement weather, government closings and holidays, lapse in appropriations, non-emergency and emergency situations for operation 24 hours a day and 365 days per year coverage.

This position has been designated as a public trust position. If selected, you will be required to pass a detailed security investigation in order to obtain a security clearance and file annual financial disclosures.

This position has supervisory/managerial responsibilities. A one-year

supervisory/managerial probationary period is required upon selection/placement. This may be waived if the selectee has successfully completed the supervisory/managerial probationary period.

BASIC QUALIFICATIONS AND SELECTIVE FACTORS:

All Candidates must meet the requirements of the position within 30 days of the closing date of this announcement:

To qualify at the GS-14 level, applicants must have one year of specialized experience equivalent to the GS-13 level in the Federal Service where the duties are to perform, under general administrative direction, with wide latitude for the exercise of independent judgment, work of unusual difficulty and responsibility requiring extended professional or technical training and experience which has demonstrated leadership and marked attainments in professional or technical practice or administration.

For this position, Specialized experience is experience in the implementation and operation of large-scale network security systems in a 24x7 environment.

In order to meet the selective factors for this position, applicants must demonstrate possession of experience/responsibility for implementing and operating network security systems in a large-scale demand-driven 24x7 environment.

Time-in-grade restrictions must be met no later than 30 days from the closing date of this announcement.

Who May Apply

This notice is issued under the direct-hire authority to recruit new talent to occupations for which Department of Navy has a severe shortage of candidates or a critical hiring need.

As such, this notice is targeted to qualified United States citizens who are not current permanent Federal employees.

Agencies are permitted to hire noncitizens only in very limited circumstances where there are no qualified citizens available for the position.

Major Duties

Position includes work that involves ensuring the confidentiality, integrity, and availability of systems, networks, and data through the planning, analysis, development, implementation, maintenance, and enhancement of information systems security programs, and policies. Responsibilities may include developing and implementing security programs, policies and procedures to ensure the security, reliability and accessibility of information systems, networks and data; conducting systems security audits and risk and vulnerability assessments; participating in network and systems design to ensure implementation of appropriate security policies and developing information security contingency plans and disaster recover procedures. Positions may be at the trainee, journey or supervisory level.

Qualifications Required

Qualification will be determined based on the position being filled. You may view qualification requirements specific to this series at the Office of Personnel Management's (OPM) web site at <http://www.opm.gov/html/topics.asp#Q>

DAWIA POSITIONS: In addition, some positions in this series may be covered under the Defense Acquisition Workforce Improvement Act (DAWIA) <http://dacm.secnav.navy.mil/> and require additional education, training and experience. Applicants **must** indicate on their resume their targeted **DAWIA career field** and the level of **DAWIA certification** they **currently** possess for that career field. Failure to provide this information may disqualify applicants for further consideration.

Substitute Education for Experience:

See <http://www.opm.gov/qualifications/index.htm> Applicants substituting education for experience must include in their resume the college/university attended, type and year of degree received, the major field of study, the total number of quarter/semester hours earned, and the cumulative Grade Point Average (GPA). Do not submit transcripts. At the time of the job offer, selectee(s) must produce, when requested, a copy of the transcript(s) to verify the education included in the resume. Substitution of education for experience is not applicable for Federal Wage System (FWS) positions.

How You Will Be Evaluated

You will be evaluated on the quality and extent of the experience, training, and/or education, **documented in your Resume**, which relates to the position being filled.

How To Apply

<http://www.donhr.navy.mil/> to access this announcement on the Department of the Navy's web site. There you will find the how to apply instructions and a direct link to the Department of the Navy's Resume Builder. Resumes received from the Department of the Navy Resume Builder are received and processed within two days of submission. Department of the Navy job announcements are posted on <http://www.donhr.navy.mil/>. Click on Job Opportunities, then Jobs, Jobs, Jobs to search, locate and apply for Navy positions.

Other Information

APPOINTMENT TYPE. Permanent, term, and/or temporary appointments may be filled from this announcement. Term appointments are Not-To-Exceed (NTE) at least 1 year plus 1 day and may, at management's discretion, be extended for a total appointment of up to 4 years. Temporary appointments are NTE up to 1 year and may, at management's discretion, be extended for a total appointment of up to 2 years. Temporary appointments may be terminated at any time prior to the NTE date.

GEOGRAPHICAL PREFERENCE. Applicants must indicate in the Additional Data Section of the Resume Builder all geographical locations for which they wish to be considered.

WORK SCHEDULE. Positions may have a full-time, part-time, seasonal or intermittent work schedule. Holiday, weekend, and/or shift work may be required.

PROMOTION POTENTIAL. Vacancies may be filled at any level and may or may not have promotion potential. Applicants will not be considered for positions below the lowest acceptable level, they have indicated in the Additional Data Section of the Resume Builder. If selected below the full performance level, incumbent may be non-competitively promoted to the next higher level after meeting all regulatory requirements, and upon the recommendation of management. Promotion is neither implied nor guaranteed.

VETERANS. Veterans should complete the related fields in the Resume Builder (i.e., list

period(s) of active duty service (month/year to month/year), any campaign badge, expeditionary medals, or Armed Forces Service Medal(s), and type of discharge, etc.). Selectee(s) must produce, when requested, documentation of eligibility (i.e., DD-214, SF-15, disability letter from the Department of Veterans' Affairs dated within the past year, etc.), for appointment under the Veterans' Recruitment Appointment and/or the Veterans' Employment Opportunity Act <http://www.opm.gov/veterans/>.

TRAVEL/TRANSPORTATION EXPENSES. Authorization of Travel/Transportation expenses will be determined prior to a job offer being made.

DOCUMENT DISPOSITION. Resumes submitted will not be copied or returned. Information submitted, but not specifically requested, will not be used or returned and will be destroyed. Submission of applications is considered to be a personal matter, not official government business. Use of postage paid official envelopes is a violation of OPM regulations, and will result in disqualification from further consideration.

LAUTENBERG AMENDMENT. For all positions requiring access to firearms or ammunition: The Federal government is prohibited from employing individuals in these positions who have ever been convicted of a misdemeanor crime of domestic violence, or a felony crime of domestic violence adjudged on or after 27 November 2002. Selectees for such positions must submit a completed DD Form 2760, Qualification to Possess Firearms or Ammunition, before a final job offer can be made.

DAWIA POSITIONS In addition, some positions in this series may be covered under the Defense Acquisition Workforce Improvement Act (DAWIA) <http://dacm.secnv.navy.mil/> and require additional education, training and experience. Applicants **must** indicate on their resume their targeted **DAWIA career field** and the **level of DAWIA certification** they **currently** possess for that career field. Failure to provide this information may disqualify applicants for further consideration.

Reasonable Accommodation Statement

This agency provides reasonable accommodations to applicants with disabilities. If you need a reasonable accommodation for any part of the application and hiring process, please notify the agency. The decision on granting reasonable accommodation will be on a case-by-case basis.

Supplemental Qualifications Statement

Responses to individual KSA's are no longer requested. Refer to Evaluation Method Section.

EEO Statements

It is the policy of the Government of the United States to provide equal opportunity in Federal employment for all persons and to prohibit discrimination in employment because of race, color, religion, sex, national origin, handicap, age, or sexual orientation through a continuing affirmative program in each executive department and agency.
